"ZLOG African Health and Humanitarian Systems Scholarship"
Zaragoza Logistics Center
2010

Presentation and objectives

The Zaragoza Logistics Center Scholarship currently provides a number of scholarships each year for students of the MIT-Zaragoza Master of Engineering in Logistics & Supply Chain Management (ZLOG) program.

The Zaragoza Logistics Center and the MIT-Zaragoza International Logistics Program will one ZLOG African Health and Humanitarian Systems Scholarships in the academic year 2010-2011 for one qualified candidate who will be expected to show extraordinary potential for leadership and professional success.

Through this scholarship, the Foundation hopes to attract outstanding future leaders who can make a vital contribution to filling the capacity gap in Africa for well-trained supply chain and logistics professionals dedicated to the field of health and humanitarian logistics.

The scholarship holder must make a contractual commitment to work for a well-established and reputed organization in Africa in the area of health-care logistics, health-systems, health policy, drug procurement and distribution, humanitarian logistics, disaster relief logistics, etc. for a period of at least two years upon graduation of the ZLOG - Master of Engineering in Logistics and Supply Chain Management Program.*

Coverage

The scholarship covers full tuition for the MIT-Zaragoza Master of Engineering in Logistics & Supply Chain Management (ZLOG) program, which amounts to €21,500 to a student of the academic year 2009-2010.

The scholarship will not include other costs such as living or travel expenses to Zaragoza or to Boston for the international exchange.

Eligibility

Scholarships are awarded only to students who have been admitted to the MIT-Zaragoza Master of Engineering in Logistics & Supply Chain Management (ZLOG) program through the Foundation's regular admissions procedure.

The applicants should display exceptional academic achievement and distinctive personal accomplishment in addition to an interest in pursuing a career in health and humanitarian logistics. To be eligible you must comply with the following criteria:

- Granted admission to the MIT-Zaragoza Master of Engineering in Logistics & Supply Chain Management (ZLOG) program.

* Eligible organizations will be decided by the Director and Faculty members of Zaragoza Logistics Center.

UNIVERSIDAD DE ZARAGOZA

- Fluency in English, competitive TOEFL score - exceptions may be granted to individuals who have demonstrated evidence of advanced verbal and written proficiency in the English language. Furthermore, the ability to speak French is a plus.
- Completion of a four year undergraduate program equivalent to a Bachelor's Degree.
- Professional excellence with a background or experience in developing countries, interaction with or working for public health or humanitarian and development aid agencies, or exceptional academic achievement.

Application Process and Documents

Candidates must fulfil all of the above-mentioned requirements and submit one original copy of the following documents to the ZLC Financial Aid Office:
