Bienvenido, Benvinguts, Welcome…

Icon welcomes you to join us for this 3rd international edition of the SCRM Seminar.

Since the inception of this unique event some years ago, we have had the pleasure of working with some of the leading minds and authorities on Supply Chain, Procurement, Risk Management and related areas, as they have come to share their knowledge and experience with our senior level group of participants.

For the 2011 edition, we have again sought out some of the most innovative work and progress in this field of online and we have endeavoured to bring these groups and speakers together for this unique two-day seminar to help you learn, network and benchmark through a series of presentations, case studies, interactive panel discussions and networking activities.

Just some of the topics being discussed:

**Supply Chain ROI, Best Practices & Metrics**
- Best practice methodologies for taking efficient risk mitigation decisions based on ROI
- SC Risk Management: Sensing and Responding
- Advances in the assessment and management of supply chain risk.
- Modeling the economic value of effective supply chain risk management.
- Supply Chain Risk Mgmt - Deliver the Markets most Resilient Supply Chain
- Create a proven End-to-End Supply Chain to Minimize Risk
- Behavioral decision making as an enabler or impediment of effective risk management.
- How to used VMI(Vendor Management Inventory) as a valid risk mitigation strategy?
- Risk sharing in multi-firm risk management strategies
- Reducing the risk in a supplier relationship by a business check up.
- Risk Sharing in Multi-Firm Risk Management Strategies
- Supply Chain Security for the Future
- Supply Chain Collaboration to Enhance Performance
- How a proactive partnership between Shipper & LSP can mitigate the risk for both Parties!
- Assessing and effectively managing supply chain costs associated with logistics price volatility.
- The role of supply chain risk management in global competitiveness (e.g., how effective supply chain risk management supports competitiveness-enhancing global trade patterns).
Icon is proud to welcome once again event chair Douglas Kent

Serving as the President of eKNOWtion and current Director of the Supply Chain Council - Europe, Douglas has over twenty years of experience focused on the development, marketing and deployment of tailored supply chain solutions for companies across a wide variety of industry sectors.

Before joining eKNOWtion, Douglas was a Principal Consultant of management consultants Pittiglio Rabin Todd & McGrath (PRTM) and formerly served as the Vice President for the Integrated Material Services division of Avnet Inc.

Douglas is an MBA graduate from Pepperdine University’s School of Management and studied at Harvard University during his post-graduate years. Douglas is also a frequent lecturer and author of many Supply Chain articles and frequent Speaker / Chairman globally at Supply Chain related conferences. Douglas is Qualified SCOR® Trainer, Certified SCOR® Professional, and adjunct faculty at the International University of Monaco and France’s SKEMA business school.

### THURSDAY 27TH OCTOBER 2011

**12:40 pm**  
Working Lunch

**2:40 pm**  
Keynote Presentation

**Philippe Paban**  
VP Worldwide Supply Chain & Manufacturing Systems / **Renault**  
Chairman / **Odette International**

**Supply Chain Collaboration to Enhance Performance**  
As Supply Chains become increasing complex & critical to performance, companies need to build new SC solutions and benefit from collaborative industry standards. Capture business drivers: Long distance SC, segmented supply chains, supplier collaboration, flexibility. SC design has become global & optimization needs to integrate multiple criteria.

- Supply Chain complexity drivers
- Importance of developing and deploying Supply chain standards and collaborative solutions within Industry sectors including Forecasting, Capacity Planning, Transportation Management, Production synchronization. Experience of Automotive industry ODette International will be shared
- Innovations to be taken into account and change management strategies to successfully implement changes

**Key take-aways:**
- Which collaborative solutions can provide required flexibility
- Which sourcing policies and organisation for Supply Chain IS development and support
- How to improve efficiency dealing with partners and suppliers

**3:20 pm**  
Presentation  
**Laurence Brown** / Executive Director / **TAPA EMEA**

**How a proactive partnership between Shipper & LSP can mitigate the risk for both Parties!**

- Global Industry Supply Chain Risk situation
- What does TAPA really mean?
- What’s next?

**4:00 pm**  
Q&A Panel Debate

- Actual Problems of Supply Chain Security
- Supply Chain Security for the Future
- Impact of Globalization on Supply Chain Management

**4:40 pm**  
Chair’s Review & Findings

As the event draws to a close, the Chairman Douglas Kent will review the highlights and “Hot Points”, that will emerge during the two days. This final short session also lends itself to a final group Q&A session between all participants.

**5:00 pm**  
Event Close
